

Don't Miss the Boat.

Even if you think you aren't eligible for aid, you should **complete the Free Application for Federal Student Aid (FAFSA)**. Not completing this form could put you at risk for missing the boat on state aid, federal student loans, school-specific grants and scholarships, or the federal work-study program.

To be eligible, you must complete the FAFSA as soon as possible **after Jan. 1 of your senior year**.

Visit FAFSA.gov, the official FAFSA website, to get started. Have questions about completing the FAFSA? Contact a local campus **Financial Aid office** today. For more information about college planning, call us or visit our website, UCanGo2.org.
