

Don't Wait.

The FAFSA is important ... **very important!** Every day you put off completing the Free Application for Federal Student Aid (FAFSA) could cost you money for college.

To be eligible for grants, scholarships, work-study and federal student loans, you must complete the FAFSA as soon as possible **after Jan. 1 of your senior year.**

Visit FAFSA.gov, the official FAFSA website, to get started. Have questions about completing the FAFSA? Contact a local campus **Financial Aid office** today. For more information about college planning, call us or visit our website, UCanGo2.org.

Don't wait any longer. Time's ticking.
